

FUTURE SLAMMERS YOUTH BASEBALL PROGRAM

SUNDAY MORNINGS (6-WEEK SESSIONS)

Slammers Training Academy believes that all Youth 'Future Slammers' should be taught great habits early in their development. Beginners of both baseball and softball can participate, we offer the opportunity to learn and ingrain the correct way to hit, field and throw a baseball and form those skills. Learning the correct habits before you have to reverse bad habits saves time and increases success potential at a young age! Participants will learn from former collegiate baseball players and current high school baseball coaches the fundamentals of baseball and skill sets needed to have more consistent success leading to more fun on the playing field! **'Future Slammers' Program** is recommended for all participants aged 6-8 years old.
