Slammers Announces New Softball Skills Coach

Elissa Wisniewski

Slammers is proud to announce our latest addition to our Softball Instructors, new Libertyville High School Varsity Head Coach **Elissa Wisniewski**. Elissa was a Stevenson HS standout player from 1999-2003, where she set numerous pitching records. Elissa is the current Libertyville HS Head Varsity Softball Coach and Head Coach of the 18-U Northern Lightning (which took 4th place in the National Finals last year). Elissa will work with an assistant to conduct this 2-Day Skills Clinic.

This Pitching & Catching Program will allow participants to have their skills examined and adjusted under the skilled training of a Professional. This program was created to allow up to 6 pitchers and 6 catchers (per age group) to get drills and repetition on their specific skill group. Camps will be limited to the first 6 players in each session, so space is limited. Please denote your position (PITCHER or CATCHER) during the registration. To reserve a spot in this Program, please call Slammers or register online.

Softball Pitcher/Catcher Skills Clinic

Slammers Softball Pitcher/Catcher Clinic will be hosted on the **Saturday Mornings of December 10th & 17th**. Registration is limited to only the first 6 pitchers and first 6 catchers per group, call today to reserve your spot.
